## ★ WELCOME ★

Welcome to the Restaurant Lemon!

Looking for a wide variety of delicious dishes? Then you have come to the right place. All year round we offer seasonal highlights: enjoy a refreshing drink in the "StadtGarten" or on our rooftop lounge "SichtBar" during summer or usher in the winter with a warming cheese fondue in our cozy "Fondue Chalet". We are especially proud of our signature Burger dishes, for which we are famous for. Whether pulled pork, fish, vegetarian or the classic Lemon Burger: they are all delightful. We spoil families too: start a relaxed weekend with our extended breakfast on Saturday or our popular brunch on Sunday. Or finish the weekend with our Chicken Family Dinner – one price for the whole family including grandma and grandpa. We love to look after you!

„When life gives you lemons, bring them here, we will show you how to make the best lemonade.“
